

2005 Edge Cabernet Sauvignon

GREAT VALUES FROM THE NAPA VALLEY

“Edge makes only one wine-this purple-black boysenberry-inflicted Cab-from vineyards along Napa Valley's Silverado Trail;. A small portion of Merlot helps smooth out some of the Cabernet's aggressive tannins.”

“Aromas and flavors of blackberry, raspberry and floral notes; medium bodied; medium finish with a palate cleansing acidity. Can serve now but will hold for some time.”

- *Sante Magazine*, Holiday 2007 issue #11.9

90/100

“The Edge Cabernet Sauvignon is sourced from grapes grown near St. Helena and in the Oak Knoll district of the Napa Valley. Hard on the heels of the award winning 2004 the latest '05 is showing equally well. More restrained in style but with appealing peppery, black fruit aromas with flecks of vanilla. On the palate it is silky with dusty, peppery, red fruit flavors and just a touch of vanilla. Solid Napa Cabernet at a reasonable price.”
